With reference to the orders conveyed in Proceedings of Government No. 918 of 24th March 1873, I have the honour to report, for your information, that I have appointed one John Jackson as Taluq Overseer, the services of an Overseer being much required in the Cannanore Range.

3. The register of his services while in this department shows that he was an honest, intelligent man, but without much energy. I trust, however, that as he is being re-appointed at his own request, he will now give no cause for complaint.
