*Proceedings of the Madras Government, Public Works Department,
29th May 1873.*

No. 416. Read the following letter from Major R. B. KENNEDY, Special Executive Engineer, Wynaad, to Colonel W. WALKER, R. E., Secretary to Government, Public Works Department, dated Luckadie, 10th May 1873, No. 282:—

As 3rd Grade Executive Engineer and Regimental Captain I drew Rupees 693-10-0. On re-organization of department I was placed in the 4th Grade, but, in common with others similarly affected, my former salary was directed to be continued to me as personal allowance.

By G. O., No. 108, dated 22nd April 1873, my promotion to Regimental Major was antedated to 18th April 1872. The Controller says that under G. O., No. 2,970, dated 14th December 1872, he is debarred from passing more than Rupees 693-10-0 as my salary.

I submit that there would have been no question as to my being entitled to the maximum of 3rd Grade Executive Engineer prior to the re-organization, had my promotion been published when it actually took place, and that the same salary would have been continued to me as a personal allowance afterwards.

2. In order to satisfy the Controller I have the honour to request a decision.
