*Proceedings of the Madras Government, Public Works Department,
3rd June 1873.*

No. 37. Read the following letter from Colonel F. J. MOBERLY, R. E., District Engineer, Chingleput, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Camp at Nelladavasul, 5th May 1873, No. 270 :—

I HAVE the honour to enclose an Indent with letter, in original, from the Executive Engineer, Mount Range, as the charge is an extraordinary one, and beyond the discretionary authority I possess.

From W. S. HARRINGTON, Esq., Executive Engineer, No. 2 or Mount Range, Chingleput District, to Colonel F. J. MOBERLY, R. E., District Engineer of Chingleput, dated 110, Mount Road, 2nd May 1873, No. 51.

In forwarding the enclosed Indent, I have the honour to state that I have already purchased a copy of the Dictionary named for the express use of the office servants in order that they may refer to it when necessary, and so the necessity for alterations on account of incorrect spelling may be obviated. I request therefore that you will be good enough to allot at your earliest convenience the necessary funds in view to the cost of the book being met, as you do not agree with me in thinking that it should form a charge against contingencies.

No. 33. ORDER THEREON, 3rd June 1873, No. 1,477.

ESTABLISHMENT, No. 5.

As the charge for a Dictionary is an unusual and apparently not a necessary one, His Excellency the Governor in Council declines to sanction it.

I would not

not to have purchased

The Controller of P.W.
Accounts is authorized on
this occasion to pay as a
Contingent charge the
price of the Dictionary
purchased by Mr Harrison,
but it is observed that
the charge is an unusual,
and ^{not} apparently a necessary
one, as Office Clerks
are not supposed to con-
duct original Correspondence
in English, but simply
to copy the drafts of the
