*Proceedings of the Madras Government, Public Works Department,
3rd June 1873.*

No. 39. Read the following letter from J. W. RUNDALL, Esq., District Engineer, Tinnevely, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Palamcottah, 26th April 1873, No. 13 :—

WITH reference to G. O., No. 1,113, of the 17th instant, requesting the claim to gratuity or pension to late Overseer Gopaul Pillay be considered and the necessary papers submitted in due course, I have the honour to state that when the services of Gopaul Pillay (then Sub-Overseer, Madura District,) were dispensed with in 1863 he received a gratuity of Rupees 140, which sum was not refunded by him when re-entertained in 1865, he has therefore only eight years' service to the good which is too short for pension.

2. Gopaul Pillay has now lost his post not by reduction of establishment, but owing to his own inefficiency, and therefore under Clause 2, Section 45, Chapter X., of the Civil Pension Code, it is not admissible to grant him either pension or gratuity.

LOCAL FUNDS, No. 15.
<i>Establishment.</i>

THE Government having in a recent case that came before them noticed that a Taluq Overseer on the strength of the permanent establishment of the Public Works Department was reduced by the

Superintending Engineer to the grade of Local Fund Overseer, resolve to point out to all Superintending Engineers that the establishment paid from Local Funds should, equally with that defrayed from Imperial Revenues, be filled by men upon whom reliance can be placed, and care should be taken that the Local Fund establishment is not made a refuge for inferior Government servants.

8th Division

Sir,
With reference to your Endorsement No. 2682 of 13th Instant, and C.O. dated the 28th Ultimo, No. 2061, sanctioning the formation of the Overseer Class into three grades with retrospective effect from 1st July last, I have the honor to state that of the two Overseers of this Range who are entered in the List for increased salaries, viz Overseer Dasirajamony Mudaliar now acting Supervisor, and Overseer Gopal Pillay, I consider only the former deserving of the increased pay of Rs. 100 for which his name is down in the List.

The latter is ignorant of English, does not understand Surveying Levelling and

and Estimating, is old, and totally
unfit for the post he now holds. At all
events I am of opinion that he is not
deserving of the increased salary of Rs 80
proposed to be given to him.

I have &c

Under the circumstances
represented in this letter, the Superintending
Engineer cannot permit the retention
of Gopal Pillay on the Establishment of
Overseers, and he therefore proposes to take
early steps for removing the Pillay from
the list of Overseers.

2. Mr Mc Hair is requested to report
whether he considers it advisable or not to
appoint Gopal Pillay as a Road or Local
Fund Master.

3. Gopal Pillay has already received

a gratuity for services rendered before 1863,
information should be afforded as to whether
or not the amount has been refunded
on the Pillay's re-entertainment
in 1865. If the amount has been refunded
it should be stated when & to whom.

Sir,
With reference to your Endorsement No. 3140 dated 7th October 1872 (herewith returned) I have the honor to state that taking into consideration Overseer Gopal Pillay's long service in the Department, I am of opinion that he should be appointed as a Local Fund Mistry, in lieu of a Road Mistry in the event of his being removed from the list of the Overseers.

2. The Overseer states that the sum of Rs. 11.0 he received as a gratuity in 1863 has not been refunded by him because he was never asked to do so, and that he is now prepared to pay back the money.

*Proceedings of the Madras Government, Public Works Department,
18th February 1873.*

No. 416. Read the following letter from the District Engineer, Tinnevely, to the Secretary to Government, Public Works Department, dated Palamcottah, 16th January 1873, No. 22 :—

I HAVE the honour, with reference to the enclosed petition from Gopal Pillay, Overseer in this district, referred to me for the records and for report, to forward herewith copies of correspondence relating to Gopal Pillay between the Sub-Engineer in charge of the Northern Range and the Superintending Engineer of the late 8th Division.

2. When giving over charge to me Colonel Roberts informed me that, in consequence of Gopal Pillay's general unfitness, he intended to reduce him to the rank of a Local Fund Maistry.

3. Mr. McNair's statement is that the Overseer is ignorant of English, does not understand surveying, levelling or estimating.

4. In 1871, when I joined, the district was unfortunately singularly destitute of properly qualified Overseers; out of the ten then on the establishment only two had passed the full test, and one had passed as Sub-Overseer.

5. Most of these men have been reduced or dismissed for connection with the frauds and malpractices in the late 1st and 4th Ranges, and there remain only three unpassed Overseers on the permanent establishment (Imperial List), namely, Gopal Pillay, Valayutham Pillay, and Kristnasawmy Moodelliar.

6. Gopal Pillay has never worked under me, I am not therefore personally acquainted with his qualifications; but I think most decidedly that it cannot be for the Government interest to maintain in the position of Overseer a man who cannot level and survey or prepare a plan or sketch, and I would recommend that Colonel Roberts' intentions be carried out, and Gopal Pillay either reduced to Local Fund Maistry or else that he be dismissed altogether. He is not likely to work well as Local Fund Maistry. Moreover, the President of the Local Fund Board, with whom the appointment rests, might object to entertain an old man whose reduction is proposed on the ground of general incompetence.

7. I request the favour of the orders of Government with regard to this Overseer.

8. Valayutham Pillay has nearly 25 years' service on the permanent establishment, and wishes shortly to apply for pension. He has only recently joined this district from Madura.

9. I will in a short time report regarding Kristnasawmy Moodelliar, against whom charges of fraud have been preferred.

10. I should, moreover, mention that pending the orders of Government in Gopal Pillay's case, I have refused to grant the three months' leave he applied for, referred to in letter from Mr. McNair's No. 335, of the 16th November.

No. 417. ORDER THEREON, 18th February 1873, No. 537.

ESTABLISHMENT, No. 32. THE Government in their Order No. 628, dated 7th March 1872, declined to permit the transfer of an Overseer because of his shortcomings from the Imperial to the Local Fund List.

*Proceedings of the Madras Government, Public Works Department,
18th February 1873.*

2. If Taluq Overseer Gopal Pillay (who, it is observed, was at the Superintending Engineer's request graded in the recent re-organization as a 3rd instead of a 2nd grade Overseer, as proposed,) is at the present time from age or other causes incompetent to perform the duties of a Taluq Overseer as reported by the Sub-Engineer under whom he last served, the District Engineer, having satisfied himself of this fact, should dispense with his services.

No. 249. Read the following letter from the District Engineer, Tinnevely, to the Secretary to Government, Public Works Department, dated Camp at Alaghiapandiapuram, 18th March 1873, No. 54:—

With reference to G. O. No. 537 of the 18th February, regarding Overseer Gopal Pillay, I have the honour to report that I have recently had an opportunity of seeing the Overseer and his work and am able personally to testify to his unfitness for the post he holds. His incapacity not having been previously reported, is, I consider, due only to the fact that he was serving (in rather an out-of-the-way taluq) under a Native Range Officer, namely, Supervisor Vyapury Pillay. As authorized by Government I propose to remove him and relieve him of his charge as early as possible.

2. As Government have in G. O. No. 513, dated 17th February 1873, sanctioned the transfer to the Imperial List, in the 3rd grade, of Local Fund Overseer T. Subramania Pillay, I will fill up the vacancy caused by Gopal Pillay's removal by appointing Subramania Pillay, and will arrange with the President Local Fund Board for the appointment of a competent Local Fund Overseer in room of the last named.

Memo 14⁹

Under Section 92 of the
Civil Pension Code the late
Colonel Gopal Pillay has
forfeited his right to
enjoy previous service by
failing to refund the
gratuity received in 1863,
unless application be made
to the Govt of India within
him as a special case
to make the necessary
refund now. It is not
however usual to make
such application unless
the circumstances of the
case are such that

Letter from the District Engineer Tan-
nervetty dated 26 April 1873, No 13
regarding Overseer Gopal Pillay

Recirculated with
Memo by Under Secy.
-hary (Punam (Dept)

It seems conclusively
established that Gopal
Pillay is not entitled
to pension - & that
it is not a case for

From,

J. W. Randall, Esq.
District Engineer
Trincomally.

To,

Colonel G. W. Walker, P.C.
Secretary to Government
P. W. O.

Sir,

With reference to G. O. N^o 1113
of the 17th Inst. requesting the claim
to gratuity or pension to late Overseer
Gopaul Pillay be considered and the
necessary papers submitted in due
course, I have the honor to state that,
when the services of Gopaul Pillay in
(then Sub Overseer Madurai District)
were dispensed with in 1863, he
received a gratuity of Rs 150 which
sum was not refunded by him when
re-employment in 1865; he has therefore
only 8 years service to the govt
which is too short for pension.

&

Gopaul Pillay has now lost
his post not by reduction of force

 inefficiency, and therefore under
 Clause 2. Section 45, Chapter I of
 the Civil Pension Code it is not
 admissible to grant him either
 pension or gratuity.

I have the honor to be
