*Proceedings of the Madras Government, Public Works Department,
4th June 1873.*

No. 57. Read the following Proceedings of the Board of Revenue, dated 28th April 1873:—

From R. K. PUCKLE, Esq., President of the Local Fund Board, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Tinnevely, 11th April 1873, No. 187.

WITH reference to the Board's Proceedings No. 496, dated 1st April 1873, I have the honour to forward a copy of a letter from the Vice President of the Shermadevi Local Fund Circle enclosing a Resolution of that Board showing that the money advanced from Chuttrum funds for the repair of the Tamarayar anicut was in the form of a loan. The anicut is now happily finished, and I shall be glad if arrangements can be made for the re-payment of the loan.

SUBMITTED to Government with reference to Board's Proceedings, 1st April 1873, No. 496.

2. It now appears that the Shermadevi Local Fund Board have not agreed to bear any portion of the expense of repairing the Tamarayar anicut, and that Mr. Puckle was completely mistaken in asserting that they had agreed to bear it.

3. The Board have placed before Government arguments which seem to them to show that the loan of Rupees 4,402 from the funds of the Tirukurungudi Chuttrum, which was placed at the disposal of the Public Works Department for the repair of the anicut in Board's Proceedings, 17th February 1873, No. 220, should be refunded.

Secretary.

IRRIGATION, No. 3.

THE Government sanction the re-payment to the Local Fund Board of the Shermadevi Circle of the sum of

Rupees 4,402 advanced by them for the construction of the Tamarayar dam.

2. The Controller will arrange for the transfer of the amount from the source indicated in G. O. No. 829, dated 17th March 1873, and the Budget provision of Rupees 4,000* will be held at the disposal of Government.

From, The Vice President
Shermadiri Circle
To The President

Sir,
From your letter to the Board
of Revenue and from their Proceedings
thereon dated 1st April 1873 to 19th 6,
there appears to have been no slight
misunderstanding as to the intention of the
Local Fund Board of this Circle in regard
to the repair of the Samavar ancient.
2. What this Board did resolve is
clearly expressed in Resolution V of their
Proceedings 29th January 1873. They were
requested by the Government to advance
Rs 4402 from the Chattram Funds
as funds were not available from the
Government Treasury, and agreed to do so,
but they did so with considerable
hesitation and reservation as to the actual

payment of the amount and by no means
"agreed to bear the charge".

3 As the Board of Revenue have
been led to think it necessary that
this Board "should be prevented from
appropriating Chattram Funds" in a
manner never contemplated by this
Board, I request they may be informed
what the facts really are.

4 Enclosed is a copy of the Resolution
above referred to.

ment O.D. N: 1654 dated 7th December
1872 forwarded by the President with
a footnote.

Letter from the District Engineer
dated 23 January 1873 N: 219.

The Local Fund Board are willing
to advance as a loan the sum of Rs 4402
or so much of this sum as is required
before the end of the official year for
the immediate completion of the Samanagar
Ancient as it appears that this
advance is required by Government.
This Board does not hereby bind itself
to accept as final the decision of
Government as to the liability of the
Chattram Funds to contribute any part
of the cost of this work.

 consider that, before

 amount advanced by

 the Tamarlar Ancient
 in Tinnivelly, it is ad-

The latest statement
transmitted by the Collector
of Tinnevely, viz that the
lands are held on pottah,
may be correct, but the
preceding correspondence
shows that many
mistakes have been made
as to render it necessary
that clear evidence of the
circumstances should be
adduced. The views of
the Board of Revenue
appear to the Government
to be perfectly just, and
they will be acted upon
if the facts be such as
the Board suppose.

There has been great
blundering on the part
of Mr. Puckle in his
