With reference to Resolution No. 3—8 ^{A.}_{G. R.} dated 6th instant, in which the desire of the Government of India for an estimate of the transactions of the Guaranteed Railways in a modified form is expressed, I am directed to state that the Governor-General in Council would be glad to receive the opinions on this subject of the Agents of the Railways under the control of the Government of Madras, as well as those of the professional advisers of the Government. His Excellency in Council is aware that the Government of India are usually assisted by the judgment of the Railway Company's Officers in the matter, but on the present occasion, when the traffic of some railways has undergone important variations, this assistance will be of exceptional value, and in order to prevent any misunderstanding on the subject, I am to request that separate estimates may be framed where the Consulting Engineer sees any reason to differ from the estimate of the Railway Companies.
