*Proceedings of the Madras Government, Public Works Department,
5th June 1873.*

No. 79. Read the following endorsement of the Chief Engineer for Irrigation, dated Camp at Ammoor, 12th May 1873, No. 12:—

From C. A. BADHAM, Esq., Acting Manager of the Madras Irrigation and Canal Company, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation and Joint Secretary to Government, dated Madras, 29th April 1873, No. 94.

I HAVE the honour to request sanction for Rupees 230-1-0 disbursed under the following circumstances and chargeable to Revenue.

2. Rupees 154-5-0 of the amount is Mr. Dodson's claim under his agreement for travelling expenses from Bombay to Dhoor on taking up his new appointment as Conservancy Engineer of the lower section.

3. The remainder, Rupees 75-12-0, was paid to Mr. Bradbury as travelling expenses in coming from Ayalore to Madras for the purpose of giving evidence on behalf of the Company in a law suit.

4. Both items of expenditure being of an unforeseen character, provision could not have been made for them under contingencies, and a special sanction is necessary.

No. From the same Officer, dated Madras, 8th May 1873, No. 101.

IN reply to your letter No. 15 of the 1st instant, I have the honour to inform you that the amount of Mr. Bradbury's expenses in travelling to Madras was assigned in my letter No. 94 of 29th ultimo, to Revenue under a misapprehension. It is properly a construction charge and will be so allocated.

2. I regret that the mistake should have occasioned you any trouble.

SUBMITTED to Government with a recommendation that sanction be given for the debit to contingencies of the travelling expenses of Messrs. Bradbury and Dodson under the rules sanctioned in Government Orders of the 24th August 1867, No. 2,595, and 27th August 1867, No. 2,611. The former will be debitable to Capital and the latter to Revenue.
