*Proceedings of the Madras Government, Public Works Department,
16th January 1873.*

Read the following papers:—

No. 237. From the Officiating Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bezwarah, 27th November 1872, No. 138.

THE Master Attendant of Masulipatam having informed me that upwards of Rupees 100 monthly would probably be realized by renting some of the unoccupied military buildings in the fort to the merchants of that station for warehouses, I have the honour to solicit permission to do so, with the understanding that they must be vacated after one month's notice in the event of Government requiring them again, which, I believe, to be a very unlikely contingency.

2. The buildings referred to are, as far as I can learn, supposed to belong to this department, as the Commissariat branch of the service, for which accommodation was provided in G. O., No. 2,751, of 7th August 1866, is not now represented at Masulipatam. The buildings required by the Police will of course still remain in their possession.

3. This application is made with the concurrence of the Collector of the district.
