*Proceedings of the Madras Government, Public Works Department,
7th June 1873.*

No. 101. Read the following letter from Captain H. SMALLEY, R. E.,
Officiating District Engineer, Ganjam, to Colonel G. W. WALKER, R. E.,
Secretary to Government, Public Works Department, dated Chatterpore,
13th May 1873, No. 10 :—

I HAVE the honour to request the approval of Government to the following
changes in the Overseer's Establishment in this district for the reasons assigned,
viz. :—

- (1.) K. Ramanjiah, Local Fund Overseer, to be Imperial Overseer, 3rd grade,
to complete the establishment as per G. O. No. 467, dated 13th February 1873.
- (2.) V. Narayanasawmy, Overseer, 2nd grade, to be reduced to 3rd grade.
- (3.) G. Bramhanundum, Overseer, 3rd grade, to be promoted to 2nd grade,
vice Narayanasawmy.

2. K. Ramanjiah is not a passed Overseer; Government are, I believe, aware
of the difficulty of getting passed Overseers in this district, and of getting any
acquainted with Oriyah. Major Beckley has left it on record that it is inexpedient
to employ Europeans in the district on account of the quantity of rum to be had
every where in it. K. Ramanjiah is acquainted with Oriyah; he is a good Surveyor,
and has had some four years' experience in carrying out work. He is the most
eligible candidate for the post in the district.

3. V. Narayanasawmy I propose to reduce on account of his connection
with the abandoned Post Office and the fall of the school at Chicacole. It is true
he was only a subordinate and the Range Officer was the one responsible for these
failures, still I do not hold the subordinate altogether excusable. He should
certainly not have been promoted to the 2nd grade last year, and should now go
back again to the 3rd grade. He will also be removed to another taluq.

4. G. Bramhanundum I propose to promote to the 2nd grade *vice* Narayana-
sawmy. He was one of Major Beckley's Surveyors on Rupees 70, and was well
spoken of by that officer and recommended by him for an Imperial Overseership.
He has served as such two years to the satisfaction of the Range-Officer.

No. 102. ORDER THEREON, 7th June 1873, No. 1,513.

ESTABLISHMENT, No. 14.

K. RAMANJIAH may be appointed
to officiate as a Taluq Overseer on the
Imperial Establishment on the condi-
tions laid down in G. O. No. 2,165 of 12th September 1872. The promotion of
G. Bramhanundum appears to have been recommended without reference to that
order; and the subject of promotion of Overseers generally is one to be treated of
in the usual quarterly returns and disposed of by the Chief Engineer of the Public
Works Department, not to be referred to Government.
