*Proceedings of the Madras Government, Public Works Department,
9th June 1873.*

No. 120. Read the following endorsement of the Chief Secretary to Government, dated 27th May 1873 :—

From Lieutenant-Colonel W. J. WILSON, Inspector General of Jails, to the Honourable W. HUDLESTON, Chief Secretary to Government, Ootacamund, dated Ootacamund, 21st May 1873, No. 83.

I HAVE the honour to submit, for approval, plans and estimates for the Debtor's Prison at Madura at a cost of Rupees 12,500, of which Rupees 4,526 were spent during the last official year. Sanction is now requested for the balance, viz., Rupees 7,974.

2. The plans and estimates were originally received in March, but were returned in order that certain alterations might be made.

3. The undermentioned are the works in course of construction, viz. :—

	RS.
Four Wards	7,460
Enclosing wall and small door in main wall	2,370
Well and Cistern	190
Store-room	385
Latrine	535
Gate in new wall	180
Cook-room	1,380
	12,500

4. The alternative plan of a store-room at a cost of Rupees 400 is also forwarded. It was objected to as being of too ornamental a character for a prison. Should the revised plan be approved of, it is proposed to build the store-room within the enclosure and near the entrance.

5. The cook-room is 39 feet long and 23 feet broad, and I do not think it is too large considering the number of civil prisoners, and the variety of caste, but I recommend that the cross partition walls and the fire places should be omitted, and that the internal arrangements may be left to be carried out by the Superintendent with convict labour. A common earthen floor is all that is required for this building.

REFERRED to the Department Public Works for approval, with reference to G. O., No. 1,409, Judicial, dated 24th October 1872.

(Signed) W. HUDLESTON,
Chief Secretary.

No. 121. ORDER THEREON, 9th June 1873, No. 1,523.
