*Proceedings of the Madras Government, Public Works Department,
17th January 1873.*

No. 308. Read the following letter from the Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 20th December 1872, No. 707:—

WITH reference to paragraph 2 of letter No. 1,103, G. R., dated 17th July 1872, embodied in the Order of Government No. 1,883, dated 9th August 1872, I have the honour to report that the Board of Directors of the Madras Railway have authorized their Agent in India to approve of any gratuities in ordinary cases which he may be satisfied will meet with the sanction of the Government of India.

2. The Directors of the Great Southern of India Railway have informed their Agent that they "see no sufficient reason for changing the system which has hitherto been followed in regard to overtime allowances." This, in Mr. Betts' opinion, means that he is not authorized to grant without reference to the Board any gratuities for special service.

3. The Board of Directors of the Carnatic Railway Company have instructed their Agent to conform to whatever arrangements may be the custom of other Railway Companies in respect of bonuses for overtime of regular salaried servants.

No. 309. ORDER THEREON, 17th January 1873, No. 154.

RAILWAY, No. 38.

ORDERED that this letter be communicated to the Government of India, with reference to their docket, No. 1,106, of 17th July 1872.
