Proceedings of the Madras Government, Public Works Department,
12th June 1873.

Read the following papers :—

No. 169. From Colonel E. A. FOORD, R. E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R. E., Secretary to Government, Public Works Department, dated Chepauk, 3rd April 1873, No. 329.

WITH reference to G. O., No. 2,675, dated 13th November 1872, I have the honour to submit, for the sanction of Government, an estimate of Rs. 3,200, accompanied by plans and specification, for constructing a wall round the graveyard at Salem, revised in accordance with the instructions contained in Rule III., relating to burial grounds, printed with G. O., No. 3,518, dated 5th November 1866, and to state that the estimate has been countersigned by the Collector of Salem and the Venerable the Archdeacon of Madras in token of their approval.

No. 171. ORDER THEREON, 12th June 1873, No. 1,550.

CIVIL WORKS, No. 8.

OF the papers returned for revision with G. O., No. 2,675, of 13th November 1872, that order did not specify which were to be adopted; and the Inspecting Engineer for Civil Buildings has felt himself accordingly at liberty to re-submit that estimate which allowed for pulling down and re-building with brick-in-chunam the brick-in-mud wall of the existing enclosure, as well as building a new brick-in-chunam wall for the additional piece taken in. But on further consideration His Excellency the Governor in Council sees no reason for the substitution of brick-in-chunam for brick-in-mud for a mere enclosure wall of no height, and considers its extension to include the additional space required to be all that is necessary. He accordingly sanctions an outlay of Rupees 1,335 for the purpose on an estimate compiled from that now submitted, and the former estimate of Rupees 1,360; and directs that funds be provided when available.
