No. 200. Read the following letter from Major J. O. HASTED, R.E., District Engineer, Kistna District, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Bezwada, 28th May 1873, No. 29:—

With reference to paragraph 3 of G. O., No. 119, dated 16th April 1873, I have the honour to report that I learn the balance at the debit of the stock account of the Eastern Delta Range was not adjusted in 1871-72, as there were no funds available in that year. In the beginning of the following year there was also a deficiency of funds at first, and as there were pressing demands on the allotment the adjustment was delayed till later on in the year.

2. Towards the end of the year ample funds were provided, and the adjustment was made consequently in March 1873.
