(Signed) W. SHEPHERD, Captain, R.E.,
Officiating Assistant Secretary.

From the Government of India, Public Works Department, to the Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lucknow, and Lahore, dated 30th May 1873, Nos. 821/22/23 G. R.

The attention of the Government of India having been drawn to the desirability of fixing notices inside Railway carriages showing the time that trains are allowed to halt at each station, I am directed to remark that it would appear a better arrangement if the time of halt was called out together with its name at each station where a halt of any duration is to be made; the servants of the railway should be also instructed to answer any question put by travellers to this effect.
