*Proceedings of the Madras Government, Public Works Department,
20th June 1873.*

5. The progress of the several important works on which large expenditure was incurred during the year under report is briefly noticed below.

6. Out of the final allotment of Rupees 31,355 for the Central Jail at Cannanore, a sum of Rupees 31,158 was expended, which added to the outlay in previous years makes up Rupees 3,11,081 against an estimate of Rupees 3,27,000 for the work. All the main buildings and out-houses have been completed. The work which remains to be done is of a trifling nature.

7. The new Taluk Catcherry at Tellicherry has been occupied by the Tahsildar, and the inconvenience resulting from his being stationed some three miles away from Tellicherry obviated.

8. Good progress was made in the construction of the Sub-Magistrate's Catcherry, Sub-Jail, etc., at Gudalur. All the walls were built up to the full height and plastering nearly finished. The roofing of the Catcherry and Post Office approached completion. A Civil Dispensary was nearly completed at Manantoddy, and arrangements are being made to bring the institution into an efficient working order. Rupees 4,411 have been spent on Vythery Hospital.

9. The construction of the Sub-Magistrate's Catcherry at Vythery made good progress. A house for the Sub-Magistrate has been completed.

10. The new Taluk Catcherry at Manjeri was completed at a cost of Rupees 25,208.

11. The erection of ten huts for the Constables of the Police Guard attached to the District Jail at Calicut was completed.

	Amount of Expenditure	1871-72	1872-73
1. Subsidiary Jail at Anga-dipuram.	4,613	2,400	
2. Do. Cherpalcheri	1,477	665	
3. Do. Tirurangadi	1,187	1,187	
4. Do. Quilandi	1,730	1,009	
5. Do. Betatputtiangadi	4,873	2,180	
6. Do. Chongahau	5,242	719	
7. Do. Ponnani	4,410	1,007	

12. The expenditure on the Subsidiary Jails noted was incurred during the year under notice. Nos. 1, 2, 3, and 4 were completed; Nos. 5, 6, and 7 approached completion.

13. The work of constructing the new Sea Custom-house at Calicut, which was entrusted to a private professional gentleman, was efficiently done and the

building has been occupied by the Sea Custom officials.

14. The Calicut Lunatic Asylum was completed some time ago. The work in progress during 1871-72 was confined to certain alterations and additions, as per a supplemental estimate sanctioned in G. O., dated 22nd January 1872, No. 182.

15. A list of important buildings on which large expenditure was incurred in 1871-72 is forwarded herewith.

16. The requirements of the district in regard to public works have been noticed in previous years' reports. The want of proper accommodation for the Wynad Tahsildar is much felt, and we are at present paying an excessive rent for a Sub-Collector's Office at Tellicherry. Steps are, however, being taken towards getting another building for the latter.

*Proceedings of the Madras Government, Public Works Department,
20th June 1873.*

Submitted for the information of Government.

2. The expenditure of Imperial Funds on public works in Malabar was almost exclusively confined to buildings. The Central Jail at Cannanore was nearly completed; the Taluk Catcherry at Tellicherry was made over to the Tahsildar; the Sub-Magistrate's Catcherry at Gudalur made good progress.

3. The new Catcherry at Manjeri was finished at a cost of Rupees 25,208 besides other buildings. The works appear to have been satisfactorily performed.
