Proceedings of the Madras Government, Public Works Department,
23*rd June* 1873.

No. 345A. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 13th June 1873, No. 1,315 :—

I HAVE the honour to request that you will be good enough to obtain the sanction of Government to the entertainment of the temporary establishment, sanctioned in G. O., dated 15th January 1873, No. 134, for a further period of six months after the 15th July next, the date upon which the existing sanction lapses.

2. I would further ask that sanction should be given for the monthly disbursement of the whole cost of the establishment Rupees 350, in order that I may be able to make such alteration in the detail of the establishment as circumstance may from time to time render advisable, without incurring the delay insuperable from an application for the sanction of Government.

3. The establishment sanctioned on the 15th January was for some time engaged in the preparation of approximate Capital Accounts for the works mentioned in the abstract of financial results, and for other works on which Loan Funds have been expended. These Capital Accounts, based on the statements prepared by the late Colonels Anderson and Ryves, and upon the remunerative statements furnished by the Superintending Engineers, were submitted to the Accountant General, Public Works Department, on the 18th February, and 6th March last.

4. Since the latter of these dates the establishment has been engaged in extracting from the old Progress Reports, already in this office, all items relating to expenditure on Irrigation Works, and arranging them in such a form as will admit of the different items being at a future period readily collected under the groups to which they severally relate, and also, as far as possible, under the several heads under which the Accountant General, Public Works Department, requires that the expenditure should be classified. Up to date the expenditure for the five years ending 31st March 1870 has been so arranged.

No. 345B. ORDER THEREON, 23rd June 1873, No. 1,639A.

ESTABLISHMENT, No. 32A.

ORDERED that this application be forwarded to the Government of India.
