*Proceedings of the Madras Government, Public Works Department,
27th June 1873.*

No. 415. Read the following Circular letter from A. H. VAUX, Esq., for Officiating Deputy Secretary to the Government of India, Public Works Department, (Railway,) to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 3rd June 1873, No. 16:—

I AM directed by the Governor General in Council to invite the attention of the Government of Madras to paragraph 2 of Public Works Department Circular No. 13, dated 27th August 1864, in which it was ordered that the numbers of persons allowed to travel in 3rd and 4th class carriages should be painted on them, and to request that the figures may be in the Vernacular as well as in English.

2. As it is believed that much ignorance exists amongst the poorer classes as to the price they are called upon by the rules of the Railway Company to pay for tickets, I am to suggest that a printed notice in the Vernacular may be fixed in the interior of each 3rd or 4th class compartment, showing the mileage and fare from the chief terminal station to every station on the Railway.

No. 416. ORDER THEREON, 27th June 1873, No. 1,675.

RAILWAY, No. 55.

COMMUNICATED to the Consulting Engineer for Railways, in continuation of G. O., No. 615, dated 23rd September 1864.

2. Lieutenant-Colonel Shaw-Stewart will invite the attention of the Railway Agents to the suggestion made by the Government of India in this letter.
