From the Government of India, Public Works Department, to the Officiating Accountant-General, Public Works Department, dated 19th May 1873, No. 738 E. G.

In reply to your memorandum No. 344 S. R., dated 5th instant, inquiring whether the three months' special leave allowed under Public Works Code II, iv 28, to Assistant Engineers to enable them to study Native languages can be taken in instalments, I am directed to observe that it was not intended as a general rule that the leave should be so taken, but there is no objection to this course being adopted in exceptional cases when the authority competent to grant such leave thinks it desirable, in the interests of the public service; that the leave should be given in instalments.
