*Proceedings of the Madras Government, Public Works Department,
3rd July 1873.*

Read the following papers:—

No. 60. From Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Chepauk, 28th May 1873, No. 536.

I HAVE the honour to submit, for the sanction of Government from the Reserve, a plan and estimate of Rupees 255 for constructing a Native Latrine for the military portion in the General Hospital at Madras.

1 Plan.	
1 Estimate.	
1 Specification.	

2. At present there is no "recogniz^{ed} latrine" for the use of the native servants or artizans in the General Hospital. Consequently they make use of the banks of the Cooum river for latrine purposes, which practice is considered objectionable. To prevent this it is proposed to erect a latrine as provided for in the above estimate.

3. The plan and estimate have been approved by the Officer Commanding the Centre District and His Excellency the Commander-in-Chief.

4. The work being of an emergent nature, the early sanction of Government to the estimate is requested.

No. 61. Endorsement of the Inspecting Engineer for Civil and Military Buildings, dated Chepauk, 16th June 1873, No. 645.

From Lieutenant-Colonel J. GODDARD, R.E., District Engineer, Presidency, to Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, dated Fort St. George, 14th June 1873, No. 1,146.

WITH reference to your letter No. 600, of 6th June 1873, I have the honour to inform you that the latrine at the military portion of General Hospital, for which an estimate, amounting to Rupees 260, was submitted for the approval of His Excellency the Commander-in-Chief, being required for native followers attached to the hospital of the 1-21st Fusiliers, was considered as a Military Latrine.

2. It is to be a Military charge and funds can accordingly be provided from the current year's grant for Military Minor New Works in the Presidency District, of which there is a balance of Rupees 1,980 at present available.

FORWARDED to the Chief Engineer with reference to his Memorandum No. 213, dated 3rd June 1873.
