B.P. No.		Mis.
147-148		
Dated	9. 7.	1873.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
9th July 1873.*

No. 147. Read the following letter from Colonel J. W. RUNDALL, R.E., Deputy Secretary to the Government of India, Public Works Department, (Irrigation,) to Lieutenant-Colonel J. MULLINS, R.E., Joint Secretary to the Government of Madras, Public Works Department, (Irrigation Branch,) dated Simla, 14th June 1873, No. 349 I:—

MR. H. J. KENNARD having represented to Her Majesty's Government that the sand pumps patented by him in December 1861 have been extensively manufactured in Government Workshops and used on Public Works in India laid a claim to compensation in consequence, I am directed to inquire whether any such pumps have been or are being used on any irrigation works, and, if so, the source from which they were obtained.

An early reply is requested.

No. 148. ORDER THEREON, 9th July 1873, No. 1,768.

IRRIGATION, No. 11.

COMMUNICATED to District Engineers who will report whether sand pumps of the description patented by Mr. Kennard or of any other kind have been used in their districts, and, if so, the source whence they were obtained should be stated.

(True Extract.)

Lieut.-Colonel, R.E.,
Joint Secretary to Government.

To all District Engineers.
To the Chief Engineer for Irrigation.
