*Proceedings of the Madras Government, Public Works Department,
9th July 1873.*

No. 151. Read the following letter from Major H. T. ROGERS, R.E., Principal of the Civil Engineering College, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Chepauk, 13th June 1873, No. 179 C:—

I HAVE the honour to forward rolls of Students of this Institution who obtained Certificates of qualification as Supervisor, Department Public Works, Taluq Overseers, Surveyors, and Draughtsmen and Estimators at the Annual Examination of this Institution held in May 1873, and request you will be good enough to have their names published in the *Fort St. George Gazette* and continued in four successive issues.

2. Duplicate certificates are herewith enclosed for record in your office.

3. I regret to inform you that Mr. Pereira, the holder of the Francis Cotton Walker Scholarship, has failed to pass the examination for an Overseer's certificate. He is an exceedingly respectable and well-conducted young man and might possibly obtain his certificate after another year's course of study, but he states that he is unable to bear the expense of remaining longer at Madras. I have granted him a third-class Draughtsman's Certificate and a third-class Surveyor's Certificate, and have recommended him for the vacant post of Draughtsman at Calicut.

No. 152. ORDER THEREON, 9th July 1873, No. 1,770.

ESTABLISHMENT, No. 17.

ORDERED that the Rolls submitted with this letter be published in the official *Gazette*. Serjeant Charles Stewart, who has qualified as Supervisor, will be appointed an Overseer of the first grade (of which the emoluments are equal to those of a Supervisor) until reported fit for a higher charge. The remaining European Overseers will be appointed to the second-class as vacancies occur, if reported well of by District Engineers.
