*Proceedings of the Madras Government, Public Works Department,
10th July 1873.*

No. 174. Read the following letter from G. S. SAGE, Esq., District Engineer, Cuddapah, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Sambapally, 20th June 1873, No. 478:—

I HAVE the honour to bring to the notice of Government, that the officer in charge of Sidhout Range in submitting the accompanying bill for Rs. 210-3-9,

One Bill with six Enclosures. " for work stated to have been carried out by one Petty Contractor Laul Homed, for closing the breaches in the Tallapank tanks of the Pullumpett Taluq in 1871-72 has demanded payment for the same.

2. On referring to the orders contained in G. O., No. 3,112, under date the 3rd December 1871, Government seem to have admitted the Contractor's claim for Rupees 210-7-1 for work done by that man under the authority of the then Range Officer, and as Mr. Cowley has since been dismissed the service for certain irregularities brought against him by the Superintending Engineer, late 3rd Division, I conclude that this subject must have formed part of them, though not noticed separately in the Government Order directing his dismissal.

3. Under these circumstances I have the honour to request you will be good enough to obtain permission for my disbursing the said sum long over due, and to charge the same to the grant "Repairs, Agricultural," for 1873-74.
