No. 185. Read the following letter from Captain W. SHEPHERD, R.E.,  
Officiating Assistant Secretary to the Government of India, Public Works  
Department, (Railway,) to Colonel G. W. WALKER, R.E., Secretary to  
the Government of Madras, Public Works Department, (Railway,) dated  
Simla, 19th June 1873, No. 959 G. R. :—

I AM directed to acknowledge the receipt of your letter, No. 723 of 6th March  
1873, submitting the Review of the Revenue Account of the Great Southern of  
India Railway for the first half of 1872.

2. In table C. instead of the mileage of live stock the number carried  
should be shown.

3. In table F.I. the average number of locomotives constantly under repair  
is entered as 3, whereas in the statement of Rolling Stock attached to the Revenue  
Account it is shown as 8.54. Further, it is not understood how in table E.I. the  
average number of tons hauled over each kind of rail in the half-year has been  
calculated.

4. In table MII. the division of the general charges between coaching and  
goods has been made in terms of the ton mileage instead of the vehicle mileage.  
I am to request that the Analytical tables (MI. to V.) may be more carefully  
prepared in future as a mistake in any one of them will vitiate the entire Review.
