*Proceedings of the Madras Government, Public Works Department,
11th July 1873.*

No. 197. Read the following letter from Lieutenant-Colonel R. A. ROBERTS, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 20th June 1873, No. 1,125 :—

I HAVE the honour to inform you that out of the sum of Rupees 544, sanctioned in G. O., No. 78, dated 8th July 1872, on account of the pay for temporary establishment for surveying nine Railway Stations therein mentioned, a sum of Rupees 542-5-7 has been expended during last year in surveying the six stations marginally noted. In order, however, to complete the survey of the three remaining stations, viz., Amma-naickanoor, Tirumungalum, and Shevarcottai, I request that the Government will be pleased to sanction the additional sum now required for that purpose as specified below, viz. :—

					RS.
1	Surveyor,	at 60 Rupees per mensem,	for three months...	...	180
4	Lascars,	at 6 " "	for three " "	...	72
Total...					252

2. I may mention that the amount originally estimated for was only approximately arrived at by the several Range Officers, and it has been found, from actual experience, to be quite inadequate for the purpose.

3. This application would have been submitted earlier, but that neither of the two Surveyors formerly employed on these surveys were subsequently available. As it is not easy to obtain here the services of competent men for the duty, and as one of the Surveyors has now presented himself for duty, the survey work has been recommenced in anticipation of sanction.
