G.O. No.	1837	Press
B.P. No.		Mis.
318-319		
Dated	18.7.	1873.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
18th July 1873.*

No. 318. Read the following letter from Captain H. M. VIBART, R.E., District Engineer, Bangalore, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Bangalore, 28th June 1873, No. 92 :—

I HAVE the honour to state that we have in stock 250* running feet of 1" piping which is not required for the barracks. I have suggested to the

* Value Rupees 172.

Major-General Commanding that it would be very desirable to lay water on to the Cricket Ground which is almost entirely used by the Military, both officers and men.

2. The Cricket Club are ready to defray the cost of laying the pipes, if the Government will sanction the above length of piping to be used for the purpose.

3. The Major-General has no objection to the pipes being laid should the Government see fit to allow the pipes to be used.

4. I beg to request you will obtain the sanction of the Government for this improvement.

No. 319.

ORDER THEREON, 18th July 1873, No. 1,837.

MILITARY WORKS, No. 10.

THE use of the surplus piping supplied for Military purposes at Bangalore, in the manner above suggested, is approved.

(True Extract.)

Colonel, R.E.,
Secretary to Government.
