DEPARTMENT

G.O. No.	1842	Press
B.P. No.		Mis.
328-329		
Dated	18. 7.	1873.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
18th July 1873.*

No. 328. Read the following endorsement of the Inspecting Engineer for Civil and Military Buildings, dated Chepauk, 1st July 1873, No. 720 :—
From Major J. VERTUE, R.E, District Engineer, Trichinopoly, to Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, dated Trichinopoly, 24th June 1873, No. 165.

In re-transmitting the plan, estimate, and specification for improvement of bullock-shed at this station, I have the honour to inform you that the original estimate of Rupees 505, returned with your letter No. 470, dated 8th May 1873, was countersigned by the Military Authorities and approved by His Excellency the Commander-in-Chief in G. O., No. 1,348, dated 19th April 1873, (Military Department.) The said estimate has been since revised in this office and reduced to Rupees 461, the countersignature of the Military Authorities is therefore considered unnecessary.

2. The present thatched shed is in a most dilapidated state, and the repairs are absolutely necessary for the protection of the public cattle at this station.

3. As the estimate exceeds one-fourth of the value of the building early sanction is solicited, so that the work may be completed before the north-east monsoon.

4. The specification will afford the other information required.

UNDER paragraph 102, Chapter V., of the Public Works Code, the estimate of

1 Estimate.
2 Plans.
1 Specification.

Rupees 461 for repairing the bullock-shed and putting a new wooden gate to the straw-shed in the old Cavalry lines at Trichinopoly is submitted to Govern-

ment for sanction from the current year's grant under Repairs, Military.

(Signed) E. A. FOORD, Colonel, R.E.,
Inspecting Engineer for Civil and Military Buildings.
