No. 345. Read the following letter from R. SMITH, Esq., District Engineer of Nellore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Kavali, 20th June 1873, No. 40:—

I HAVE the honour to solicit the sanction of Government to the charges incurred (Rupees 31-13-0) by the Central Range Officer, as second defendant in a case recently decided by the District Munsif of Kavali.

2. The suit referred to is in connection with the case reported in my letter* No. 82, dated 5th September 1872, and

* Embodied in the Proceedings of Government, No. 2,334, dated 5th October 1872.

was filed by a man who purchased, from the plaintiff in that suit, some of the

teak sold to him by Mr. Plummer; but as this officer subsequently declined to part with the timber, the present action was brought against the original purchaser (Yeluchari Varadaya Setti) and against Mr. Plummer; the former being styled the first, the latter the second defendant.

3. As Mr. Plummer's proceedings in the matter under reference were approved of by Government, in their Order No. 2,334, dated 5th October 1872, I trust the Controller of Public Works Accounts will be directed to pass the unadjusted amount of Rupees 31-13-0 that now appears in the accounts of the Central Range. A moiety of this sum will, I am given to understand, be ultimately recovered from the plaintiff, and carried to the credit of Government.
