10 Read the following Proceedings of the Board of Revenue, dated 5th
July 1873, No. 1,207 —

W. S. FOSTER, Esq, Acting Collector of the Godavery District, to
J GROSE, Esq, Secretary to the Board of Revenue, dated Cocanada,
29th May 1873, No 164.

REFERRING to the G. O., dated the 22nd November last, No 2,749, communi-
cated with the Board's Proceedings of the 27th idem, Miscellaneous No 7,863, I
have the honour to state that of the compensation amount due to the several indi-
viduals Rs. 5,508 5-6 were disbursed during the past official year.

The orders of Government, sanctioning the allotment, reached this office 6th December 1872. The District Engineer was requested to place the same at my disposal on the 9th idem, and he called for information on the 21st idem as to the amount required in each month.

On the 4th January I sent in the information, and the first cheque reached me on the 16th January. A month or so was so lost, and during the short the other two and a half months before the last official year, not more than 5,508 5-6 could be disbursed, notwithstanding every effort was used to the full amount

The amount drawn from the Public Works Officers was Rupees 8,448-15 7, balance of Rupees 2,940-10-1 was re-credited to the account of the Public Department

Some of the payees are living in other districts and some are dead, in
 an inquiry as to their heirs had to be instituted.

Of the sum of Rupees 9,019-9-7, referred to in my letter of the 8th October 1872, Rupees 188-6-9 are not now required, as the quit-rent on the Inams, for which this compensation has been provided, was not agreed to. A sum of Rs. 3,221-13-4, therefore, remains still to be disbursed. I have the honour to inform you that the Board will obtain sanction for an allotment of funds for expending the current year. I have, as directed in the Board's Miscellaneous Orders of the 13th December 1872, No. 8,269, asked the District Engineer to estimate the necessary funds, and the enclosed is a copy of his reply, in which he states that I should apply to Government through the Board.

enant-Colonel J. F. FISCHER, R E, District Engineer, Godavery, to W S FOSTER,
Acting Collector of the Godavery District, dated Dowlaishweram, 23rd May 1873.

In reply to your letter, No. 75, dated 13th instant, I regret my inability, in the absence of
 funds for the purpose in the current official year, to furnish you with funds on account
 of the Commission for lands taken up for irrigation works, and have, therefore, the honour to request
 you to be good enough to move the Board of Revenue to apply to Government for the actual
 amount required for disbursement in this year
