Proceedings of the Madras Government, Public Works Department, 25th July 1873

No 424. Read the following endorsement of the Acting Secretary to Government, Revenue Department, dated 17th July 1873 —

Proceedings of the Board of Revenue, dated 8th July 1873, No. 1,222.

From H SEWELL, Esq, Acting Collector of North Arcot, to J. GROSE, Esq, Secretary to the Board of Revenue, dated Vellore, 7th June 1873, No 316

With reference to the Proceedings of the Board of Revenue, No 3,230, dated 28th ultimo, I have the honour to inform you that a copy of the G O, dated 2nd April last, No 1,021, Public Works Department, was already forwarded to me by the Consulting Engineer for Railways, with his letter dated 12th idem, No. 346, in which that officer requested me to ascertain from the Zemindar of Karvetnugger whether he has any objection to the measures proposed to be adopted for keeping the water of the Naggary river within its banks above the village of Sittiravadi. I thereupon addressed the Zemindar, who has replied to say that he has no objection whatever to the measures in question, provided the necessary sluices are built for the free passages of water for irrigation purposes. This circumstance was reported to the Consulting Engineer for Railways in my letter of the 2nd ultimo, No. 12. The Zemindar does not, I may add, express any wish to share in the expense of the project.

Submitted to Government, with reference to G. O., dated 16th May 1873, No. 101, Revenue Department.
