No. 448. Read the following letter from G. S. SAGE, Esq, District Engineer, Cuddapah, to Colonel G. W. WALKER, R.E, Chief Engineer, Public Works Department, dated Cuddapah, 8th July 1873, No. 593 —

I HAVE the honour to enclose a bill for nine days' travelling allowance in June stopped by Controller, *vide* his list of disallowances attached and my remarks explaining the matter. I would only further observe that all the time I was in Madanapully I lived in my tents, there being no house available, and kept up my full complement of carts (three), etc., and but for the transfer of range should have left many days before, but I thought I was acting in the interests of Government in doing as I did. I have, therefore, the honour to request the matter may be referred to Government for sanction, and the papers passed on to Controller for audit.

No. 449. ORDER THEREON, 28th July 1873, No. 1,900.
