*Proceedings of the Madras Government, Public Works Department,
23th July 1873.*

No. 454 Read the following letter from Colonel E A FOORD, R E, Inspecting Engineer for Civil and Military Buildings, to Colonel G. W WALKER, R E., Secretary to Government, Public Works Department, dated Chepauk, 8th July 1873, No. 753 —

With reference to G. O., No. 2,340, dated 7th October 1872, I have the honour to submit herewith, for the sanction of Government, plans and estimates for the undermentioned Police works in the District of South Arcot, viz. —

2 Plans		
2 Site Plans		
3 Estimates		
1 Specification		
1 Copy of letter		
I	Estimate for constructing a Police Station-house at Trinomanellore	RS 890
II	Do do at Valavanoor	890
III	Do for fixing seven weather boards for the seven ventilators in the Police Station-house at Pennadam	84
		1,864

2. The plans and estimates have been prepared by the District Engineer in communication with the Superintendent of Police, and they have met with the approval of the Inspector General of Police.

3. From the enclosed copy of letter from the Superintendent of Police, South Arcot, No 119, dated 21st April 1873, it will be seen that he requests the omission of the Kodampuliyoor Police Station-house, and the substitution in its place, in the list printed with the above quoted Government Order, of the estimate of Rupees 84, for weather boards to the Pennadam Station-house, as it "was since found difficult to build a station at Kodampuliyoor at a cost of Rupees 245." This proposal has met with the approval of the Inspector General of Police.

4. The Station-house at Pennadam was completed in November 1872, but it is now found that owing to the want of these weather boards the rain beats through the windows, causing much inconvenience

5. The plan and estimate for the Pinnalore Station-house will be submitted as soon as they are received from the District Engineer.

From Captain T H. B YOUNG, Superintendent of Police, South Arcot, to R E NORFOR, Esq., Officiating District Engineer, South Arcot, dated Cuddalore, 21st April 1873, No 119.

REFERENCE —Your letter, No. 110, dated 27th March 1873

In forwarding herewith the plan and estimate received with the above letter, approved of and countersigned by the Assistant Inspector General of Police, for fixing seven weather boards to the Station-house at Pennadam, I have the honour to request you will be good enough to obtain the sanction of Government for the same as usual

2 I further request you to move Government to strike out the work proposed for building a station at Kodampuliyoor, and substitute the above in its place in the list printed G O, No 2,340, dated 7th October 1872, Public Works Department, as it was since found difficult to build a station at Kodampuliyoor at a cost of Rupees 245.
