READ again.—

Paragraph 1 of Financial Resolution, No 4,539, dated 20th December 1872, in which it has been prescribed that from the commencement of the financial year 1873-74, the leave and pay certificates of officers on leave in England shall be prepared—

- 1st —For officers in military employ —In black ink
- 2nd —For officers in the employ of the Public Works Department —In blue ink
- 3rd —For officers in civil employ —In red ink

RESOLUTION —As some misapprehension seems to exist in regard to the above orders, the Governor-General in Council desires to explain that under those orders it is necessary that the leave and pay certificates of *all* officers (whether Military, Medical, or Civil) on leave in England, who are in the employ of the three Departments, shall be prepared in the different kinds of ink mentioned. The object is to enable the Home Authorities to ascertain at once the Department to which the absentee pay of the officer concerned is to be charged.

ORDER —Ordered, that the foregoing Resolution be communicated to the Military and Public Works Departments, the Comptroller General, the several Accountants General, and the several Deputy Accountants General in independent charge.

Ordered also, that a copy of the above Resolution, together with extract (paragraph 1) from the Resolution of the 20th December 1872, be forwarded to the Department of Agriculture, Revenue, and Commerce.
