*Proceedings of the Madras Government, Public Works Department,
7th August 1873.*

No. 91. Read the following letter from Colonel F. J. MOBERLY, R.E., District Engineer, Chingleput, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Guindy, 19th July 1873, No. 1,018:—

I HAVE the honour to submit, for the favourable consideration of Government, my claim for some allowance for the extra duty thrown upon me by my being ordered to take charge of the Mount Range in addition to my own work, and this at the height of the working season, with extraordinary repairs in progress consequent on the heavy rains and floods of last year.

2. The Government have, I understand, granted considerable allowances to gentlemen of the Civil Service who have been appointed to any extra duty, and even when relieved from their proper work. I cannot but hope that the additional labour and responsibility thrown on me will also be remunerated by the ordinary grant of 20 per cent. of the allowance of the officer whose work I am doing, although his appointment is subordinate to mine. I beg to point out that his travelling allowance is saved to Government.

No. 92. ORDER THEREON, 7th August 1873, No. 1,961.

ESTABLISHMENT, No. 6.

His Excellency the Governor in Council is not prepared to admit a claim of the novel nature of that preferred by Colonel Moberly.
