*Proceedings of the Madras Government, Public Works Department,  
9th August 1873.*

No. 124. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 23rd July 1873, No. 2,345 :—

I HAVE the honour to suggest that the Principal of the Civil Engineering College may be authorized to apply direct to the District Engineer, Presidency, for advances required to be made to Students to enable them to join their appointments in the Public Works Department, and that the District Engineer be instructed to comply with such applications, adjusting the advances through the Transfer Account.

2. At present the Principal of the College applies to this office which passes on the applications to the District Engineer with formal instructions for adjustment. But as the applications are generally described as urgent, and as there is but one mode of adjustment, it will save time and trouble if the applications be sent direct to the District Engineer.

No. 125. ORDER THEREON, 9th August 1873, No. 1,980.
