*Proceedings of the Madras Government, Public Works Department,
14th February 1873.*

Read the following Proceedings of the Madras Government in the Judicial
Department, dated 3rd February 1873, No. 190:—

Read the following letter from the Acting Civil and Session Judge of Mangalore,
to the Chief Secretary to Government, Fort St. George, dated Manga-
lore, 22nd January 1873, No. 4.

I HAVE the honour to enclose herein a letter No. 311, dated 23rd November
1872, addressed by the Sub-Engineer to the District Munsif of Bekul, and request
that an allotment of necessary funds for the erection of a new Court-house at Bekul,
sanctioned by Government in their Proceedings of 25th November 1864, No. 3,386,
may be made, as the Munsif reports that it is unsafe to hold his Court in the old
building under its present decayed condition.

From the Sub-Engineer, No. 2 or Poottoor Range, South Canara, to the District Munsif of Casser-
gode, dated Cassergode, 23rd November 1872, No. 311.

HAVING, at your request, inspected your Court-house building and carefully examined its present
condition, I have the honour to inform you that it is not necessary for me now to give my opinion
regarding its utter unfitness for use as a Court-house and its unsafeness during the monsoon in
consequence of its rotten mud walls and the decayed state of the roof of that portion of the building
which is occupied for your seat, the Civil Judge himself having, after a personal inspection said to
have been made by him of the building under reference in about 1866, clearly defined its condition

3. The Civil Judge has lately inspected the building
now in use. He considers it utterly unfit for the purpose,
and observes that its condition has deteriorated since last
year. "In the monsoon," he says, "it must be exceed-
ingly inconvenient both for the Munsif and his establish-
ment and for all who have business there."

in a letter addressed by that officer to the High
Court, and quoted in paragraph 3 of the High
Court's letter to the Chief Secretary to Govern-
ment, No. 55, of the 14th August 1866, which is
found printed with G. O., Department of Public

Works, dated the 29th August 1866, No. 2725.

2. I have the honour to add that every measures required to be taken for the construction of
a new building have already been adopted by this Department so far back as 1864, and that when
a last reference was made by me to the Superintending Engineer in June 1867 regarding the old
building, I was told that that officer had duly, but without effect, entered the sum required for the
new building in his list for 1867-68 of sanctioned works for which funds were required, and that it
rested only in the power of the Civil Judge to induce the High Court to apply to Government for
appropriation of the sum required for the new building.

PROVISION will be made in the Public Works Budget for 1873-74, which is now
under preparation, for the sum of Rupees 1,730 sanctioned by that Department in
1864 for the erection of a Court-house for the District Munsif of Cassergode in
South Canara.

(True Extract.)

(Signed)

W. HUDLESTON,

Chief Secretary.

ORDER THEREON, 14th February 1873, No. 131.

As the estimated cost of the work is under Rupees 2,500, it cannot find a
place in the Budget; but a grant will be made from the Reserve under "Provincial"
next year. If arrangements can be made for commencing the work this year, the

*Proceedings of the Madras Government, Public Works Department,
14th February 1873.*

District Engineer is authorized to do so, and he will report how much can be spent; revising the estimate at the same time if necessary.

(True Extract.)

(Signed) G. W. WALKER, Colonel, R.E.,
Secretary to Government.

*Proceedings of the Madras Government, Financial Department,
11th July 1873.*

No. 71. Proceedings of Government, 11th July 1873, No. 971.

The Governor in Council observes, that, in preparing the Provincial Budget for the current year, the opening balance was estimated at Rupees 8,90,622, but from the approximate accounts of expenditure for last year received from the Accountant-General, closed to March 31st, it appears that the closing balance of last year and the opening balance of the current year may safely be calculated at Rupees 11,75,093, or Rupees 2,84,471 in excess of the original estimate.

2. The closing balance for the current year was estimated in the Budget at Rupees 2,78,253, and, adding to this sum the above excess, the total working margin for the current year aggregates Rupees 5,62,724. Deducting from this sum the additional assignments that have been made during the past months of the current year, amounting to Rupees 66,612, there remains an estimated available surplus of Rupees 4,96,112, out of which sum the Governor in Council resolves to allot Rupees 1,50,000 to the Public Works Department, and the Accountant-General will make the necessary transfer. The proposals for employing this amount, which have been drawn up in the Public Works Department, have been approved.

3. Out of the remaining balance of Rupees 3,46,112, the Governor in Council resolves to make the following grants to the Local Funds of the Circles specified for elementary education, being the amounts estimated to be expended from the House-tax in the current year on schools to be *newly* opened:—

	RS.
Chicacole	4,860
Nellore	2,380
Sydapet	8,470
Chingleput	8,910
Madura	6,460
Neilgherry Hills	3,850
Canara	600
Total ...	35,530

A special grant of Rupees 3,000 will be made to the Local Funds of the Malabar District for Moplah Schools, the Collector having intimated that this sum can be usefully employed in addition to the Budget provision for the purpose.

4. By separate order of this date a special grant of Rupees 23,000 has been made to the Madras Municipality for elementary education.

5. The aggregate of these educational grants is Rupees 61,530, which being deducted from the above balance, leaves a working margin of Rupees 2,84,582 for the Provincial Services in the remaining months of the current year.

6. Ordered that copy of these Proceedings be furnished to the Revenue Board, the Director of Public Instruction, and the Accountant-General. The latter Officer will make the necessary transfers in the accounts.

No 52

District Engineer's Office
Bengaluru
15th July 1873.

From Major J. Q. Hastie R.E.
District Engineer Kistna

To Colonel G. W. Walker R.E.
Chief Engineer and
Secretary to Government
Public Works Department

Sir,
In reply to Memorandum No 21 dated
3rd June 1873, I have the honor to inform you that
if funds are provided for the Dead Houses at
Masulipatam and Guntur at once, I shall
be prepared to carry them out this year.
I was informed by the Collector that
a new sea custom house at Motipalli
will not now be required, as the port for
that part of the country will probably be
at Spurbollem.

The District Munsiff's Court at Guntur
is accommodated in part of the building used
for the District Judge's Court. At the request
of the District Judge an estimate amounting
to Rupees 8200 has just been prepared for
altering and improving the whole building.
This estimate I hope to submit in a few days.
and if it is sanctioned, I can expend 3500 Rs.
in preparation of wood work for roof &c during
this year.

I have the honor to be
Sir,
Your most obedient servant.

J. Q. Hastie
District Engineer Kistna

A Union & Co. for

The 14 July 187

To,
The Chief Engineer
Secretary to Government
C.M.D.

Sir,
I have the honour to report that on the 10th Instant, I inspected the Taluk Butcheri, at Comma-
conda, and found that the progress made since my
inspection in February last, was very satisfactory, and
that the existing state of the building was as follows:-
Post Office, Talukdars Private Room, Lost Property
Room, Court House, and Clerks Room (large) have in
each case, the timber for roofing put up, and are ready
for tiling.
2. Clerks Room (Small) Police Yard Room, and In-
spectors Room, have in each case, the walls completed,
and are ready for the roof timbers to be put on.
Theistudars Room, and Cashiers Room, have in
each

richness, the terraced roofing) completed.

3 The Tower is built up to the level of the floor of the Record Room, and the walls of the latter are raised nearly to their full height.

3 The Tower is built up to the level of the floor of the Record Room, and the walls of the latter are raised nearly to their full height.

4 The covered way, has the basement completed; the timber for this portion is collected but not worked up.

5 The Jail Wards (Male) have, in one case, the walls complete, Windows fixed, and Doors being fixed. and in the other, walls complete and Windows fixed. The Female Wards have the walls complete, and the doors and Windows fixed.

6 The Estimated cost of the Main building without Out-houses is 19,000 Rupees - The Amount allotted up to date is 13,500. The Expenditure is 11,100.

7. I am very anxious that the Main building, which is so far advanced should be roofed in without delay, and I have therefore the honor to request that a further allotment of Rs. 5,500, may be made at once, so that the work, so far as it has gone, may be left in a secure state.

The detail Estimate, including Outhouses, Compound wall, and Well amounts to Rs. 21,600, and has

has already been forwarded to the Inspecting Engineer for Civil and Military Buildings

Enclosures.

Sir,
I have the honour to request that provision
of funds for the undermentioned work, included in
the footnote to the Statement II of works recom-
mended for sanction in 1873, dated 28th April
1873, may not be overlooked as the work is urgently
required for the accommodation of the Head of the
Collector at Pennacoudah.

Improving the Traveller's Bungalow at
Pennacoudah for the occupation of the Head of the
Collector, sanctioned in G.O. No. 142 of 11th May 1872 } Estimated
Rs. 4650

Received 14th July 1873.

Request for allotment
of Rs. 5500 for the purpose
of the Bungalow
at Lepach and
the Bungalow
at Pennacoudah
No. 169
Dated 1999-12 Aug 6/75.

As it appears from the
above that the Bungalow for the
accommodation of the Head of the
Collector at Pennacoudah, the
Bungalow for the purpose of
the Bungalow at Lepach and
the Bungalow at Pennacoudah
are in a state of disrepair and
it is necessary to make a
provision of funds for the
purpose of the Bungalow at
Pennacoudah.

*Proceedings of the Madras Government, Public Works Department,
30th December 1871.*

No. 373. Read the following Proceedings of the Madras Government in the Judicial Department, dated 20th December 1871, No. 1,698 :—
From the Acting Commissioner of Police and Superintendent of Jails, Presidency, to the Chief Secretary to Government, Fort St. George, dated 18th December 1871, No. 70.

AGREEABLY to paragraph 3, G. O., No. 1,632, dated 6th December 1871, I have the honour to forward a plan and revised estimate for a new workshop in Her Majesty's Penitentiary. The total of estimate is Rupees 5,200. An office for Superintendent and a show room will be in one corner of the building, and a dry earth store (much required) will be in the opposite corner, outside the main wall.

2. I have made arrangements recently which will do away with the necessity for the two latrines mentioned in paragraph 2 of the same order.

3. Before giving details of the system I have proposed, of applying convict power to machinery by the use of a capstan and shafting, I purpose making an experiment on a small scale and at a trifling cost with the assistance of the Superintendent of the Government Workshops.

4. If the results are what I hope they will be the profits will be similar to those realized by the Printing Department, and the Penitentiary might be made to pay its expenses, the labour at the same time being more punitive than at present.

His Excellency the Governor in Council sanctions the plan and revised estimate for the new workshop to be built at the Penitentiary at Madras.

2. The estimate amounts to Rupees 6,500. Deducting therefrom the value of convict labour, Rupees 1,300, the cost of the workshop is reduced to Rs. 5,200.

3. Funds for the purpose are, it is observed, available from the sum of Rupees 41,305* allotted in the Public Works Budget for expenditure on the Penitentiary during the current year.

4. The necessary orders will therefore be issued in the Public Works Department to place the sum of Rupees 5,200 at Major Bowen's disposal, to enable him to complete the workshop with as little delay as practicable.

Proceedings of the Madras Government, Judicial Department,

7th May 1873.

No. 62. Read the following letter from Lieutenant-Colonel W. J. WILSON, Inspector-General of Jails, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 1st May 1873, No. 72:—

With reference to the Order noted in the margin, sanctioning the construction of a new Workshop at the Penitentiary, Judl. Dept., 20th December 1871, No. 1698. I have the honour to request sanction for the sum of Rupees 463-11-0 expended in excess of the estimate.

2. Of this sum, Rupees 288-10-2 were expended during Colonel Bowen's superintendence owing to an error in the rates for materials as at first estimated for, and to his having altered the plan of the roof of the Superintendent's Office from a tiled to a flat roof in consideration of the fact that the Superintendent of Prisons, not being a Commissioner of Police, would be likely to use his office during the day and not in the morning only. The difference, viz., Rupees 175-0-10, was expended by Captain Hallett in completing the building which has only been recently finished.

No. 63.

ORDER THEREON, 7th May 1873, No. 720.

Sanctioned.

*Proceedings of the Madras Government, Judicial Department,
25th June 1873.*

No. 109. Read the following letter from R. W. LODWICK, Esq., for Accountant-General, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 18th June 1873, No. 136 :—

Audit Department.
With reference to the Proceedings of Government, dated 7th May 1873, No. 720, I have the honour to inquire whether the Government did not intend that the amount therein sanctioned should be met from the Public Works Funds, since it was ordered that the original grant should be met from that source—*vide* G. O., dated 20th December 1871, No. 1698, Judicial.

No. 110. ORDER THEREON, 25th June 1873, No. 992.
Communicated to the Public Works Department with the G. O., dated 7th May 1873, No. 720, Judicial. The amount of excess cost, viz., Rupees 463-11-0, will be met from the Public Works Grant under "Provincial."
