*Proceedings of the Madras Government, Public Works Department,
12th August 1873.*

No. 186. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account—Guaranteed Railways), to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, Railway Branch, dated Simla, 22nd July 1873, No. 376 A.-G. R. :—

I AM directed to acknowledge receipt of your letter, No. 1,451, of the 16th ultimo, (and accompaniments), on the subject of the discrepancies between the Capital and Revenue Accounts of the Carnatic Railway, and to record the following remarks on the subject.

2. The Governor-General in Council agrees with the Government of Madras that the discrepancy of Rupees 6,332-5-2 between the Capital and Revenue Accounts of the Railway should be adjusted by the transfer of the amount to the credit of Capital. This view should now be acted upon.

3. The sum of Rupees 93-0-4, which appears as an excess in the Revenue Accounts of the Railway, may be taken to form a Fine Fund to be operated upon by the Company's Agent.

4. In regard to the proposal to defer final orders on the subject of the apportionment between Capital and Revenue of the general charges of the Carnatic Railway until the amalgamation of this line with the Great Southern of India Railway, the Government of India are of opinion that the general charges may well be divided between Capital and Revenue, in accordance with the proposals made in Public Works Department, No. 1,484-A. R., of the 25th October 1872, until such time as the amalgamation of the two lines takes place, or until an approved plan has been adopted on the Great Southern of India Railway, which may be applied to the Carnatic Railway also.
