No. 206A. Read the following Circular from the Government of India, Public Works Department, (Account—General,) dated Simla, 16th July 1873, No. 39 :—

Adjustment of Refunds of Expenditure.

READ—

Resolution by the Government of India, Public Works Department, No. 677—96 A—G, dated 30th July 1872.

RESOLUTION.—In order to ensure simplicity of accounts, it appears possible to shorten somewhat the process laid down in Government of India, Public Works Department Resolution, No. 677—96 A—G, dated 30th July 1872, for the adjustment of refund of expenditure.

It is thought that a more simple method would be to allow Executive Engineers themselves to raise the credit to works, as well as other heads of service, all such credits being supported by a statement of refunds which would be checked in the Controller's Office to ensure that they are of such a nature as should be applied to reducing charges to works. This method will, without doubt, greatly facilitate the adjustment of refunds and save unnecessary labour.

The Governor General in Council is pleased to approve of this method for securing the prompt adjustment of refunds, and sanctions its adoption.

ORDER.—Ordered that a copy of the above be forwarded to the Local Governments of Bengal, Madras, Bombay, North-Western Provinces and Punjab (General and Irrigation Branches.) Chief Commissioners, Central Provinces, British Burmah, Oudh and Mysore. Resident, Hyderabad. Governor General's Agents for Central India and Rajpootana Superintendent of Port Blair. Inspector-General of Military Works. Chief Engineer, Punjab Northern (State) Railway. Engineer-in-Chief, Indus Valley (State) Railway.
