Proceedings of the Madras Government, Public Works Department,
15th August 1873.

No. 242. Read the following letter from Major J. BEATTY, R.E., District Engineer, Vizagapatam, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Waltair, 30th July 1873, No. 795 :—

THE Controller of Public Works Accounts has brought to my notice that under paragraph 2 of the Standing Orders of the Government of India, communicated in G. O., No. 2,635, dated 17th October 1871, it is necessary that orders of Government be obtained fixing Mr. Nordmann's head-quarters while employed on his present duties.

2. Up to the end of May, while the Jeypore Ghaut works were in progress, he had his head-quarters at Vizianagram, that being the nearest station in the plains from which to draw his supplies; and now that he is precluded by the season from working on the ghauts, and is employed on the survey and soundings, etc., of Vizagapatam port and backwater, his head-quarters are at Waltair, within easy reach of his work.

3. I have, therefore, the honour to recommend that Waltair be fixed as Mr. Nordmann's head-quarters up to 15th October, and Vizianagram after that date.

No. 243. ORDER THEREON, 15th August 1873, No. 2,034.
