*Proceedings of the Madras Government, Public Works Department,

Read the following letters:—

No. 253. From G. S. SAGE, Esq., District Engineer, Cuddapah, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Madanapally, 30th May 1873, No. 342.

I HAVE the honour to bring to the notice of Government that Mr. Samuel Maddox, whose dismissal was ordered in G. O., No. 1,170, dated 23rd April last, having been permitted to resume his duties as Overseer of Jammalamadoogoo Taluq, if he had returned from Madras, he was reported to have held charge of the Taluq from 1st April to 21st May 1873, on which date he appears to have been relieved by Mr. Assistant Engineer Hunter, as there was no other Overseer available to temporarily relieving him.

2. Under these circumstances, I have the honour to request that Government would be pleased to overlook that Mr. Maddox is being kept in the department a few days later than he ought to have been, and to issue the necessary orders to the Controller of Public Works Accounts to pass pay for the above period under special circumstances. The sum of Rupees 60 received by him as an advance will be recovered from his pay due to him as already stated.

No. 254. From the same Officer, dated Cuddapah, 2nd July 1873, No. 551.

WITH reference to your memorandum, No. 220 of 9th ultimo, I have the honour to inform you that Mr. Maddox took charge of his office in Cuddapah on the 1st April, and proceeded to his taluq on 3rd April, his entertainment dates from 1st April; the Inspection Reports, herewith forwarded, show he was employed on taluq duties during the period he was employed, viz., from 1st April to 21st May inclusive, but copy of Range Officer's letter, No. 385 of 1st July, show his work was unsatisfactory. Two salary bills for April and May and a travelling allowance bill for same period are enclosed, from which it appears that there is due to Mr. Maddox—

No. 255. From T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 7th July 1873, No. 1,936.

WITH reference to the Proceedings of Government, No. 1,623, dated 21st June 1873, in which an advance of Rupees 60 made by the District Engineer of Cuddapah to Mr. S. Maddox is sanctioned, I have the honour to invite attention to

G. O., No. 1,170, dated 23rd April 1873, in which Mr. Maddox is dismissed from the service of Government and declared incapable of re employment in any capacity, and to request that you will be good enough to inform me whether the latter order is to be regarded as cancelled.

No. 256. ORDER THEREON, 16th August 1873, No. 2,040.

ESTABLISHMENT, No. 16.

THE proceedings of the District Engineer of Cuddapah in respect to Mr. Maddox appear to His Excellency the Governor in Council to have been very injudicious. Having under date the 17th March reported him as having absconded from his post as Taluq Overseer after receipt of an advance which he had not worked out, and as having been seen at a Railway Station in a state of intoxication, he appears to have allowed him to take up work again on the 1st April, without making the necessary report, and to have continued employing him for some time after receipt of the Order of Government, No. 1,170, of 23rd April, elicited by his own report, and declaring him incompetent of further employment in the Government service.

2. Mr. Sage's object in thus acting would appear to have been to recover the amount of the advance made by him to Mr. Maddox, but he was not justified in risking the credit of the department and the interests of Government for any such consideration; and his neglect to report for confirmation his re-entertainment of the man whom he had handed up to Government as a thief and drunkard, is inexcusable.

3. Looking to the details of the marches and inspections made by Mr. Maddox in April and May the propriety of passing him more than single horse allowance is very doubtful; but looking to the expenses which he must have incurred in joining and quitting the post temporarily occupied by him, His Excellency the Governor in Council will not object to the full amount of his claims, less the advances, being paid him.
