*Proceedings of the Madras Government, Public Works Department,
16th August 1873.*

No. 264. Read the following letter from K. C. PYE, Esq., Assistant Secretary to the Government of India, Public Works Department, (Guaranteed Railways,) to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 24th July 1873, No. 1,289 G. R. :—

I AM directed to acknowledge the receipt of your letter, No. 1,579, dated the 17th June 1873, submitting the Revenue Account of the Great Southern of India Railway for the half-year ending 31st December 1872.

2. I am to invite attention to the fact that the rate for the carriage of construction materials if worked out from the ton mileage and receipts is approximately $9\frac{1}{2}$ pies. Some correction seems needed, as this is in excess of the authorized rate of 4 pies per ton mile. I am to request that the rate for carriage may, in future, be entered in Abstract I.

3. With reference to Form No. XV., I am to invite your attention to the concluding portion of paragraph 2 of Public Works Department, No. 1,819 G. R., of 28th November 1872.

No. 265. ORDER THEREON, 16th August 1873, No. 2,045.
