G.O. No.	2048	Press
B.P. No.		Mis.
270-271		
Dated	16. 8.	1873.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
16th August 1873.*

No. 270. Read the following letter from J. W. RUNDALL, Esq., District Engineer, Tinnevely, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Palamcottah, 4th August 1873, No. 58 :—

I HAVE the honour to forward a copy of letter from the Chief Engineer, Travancore Government, No. 3,099, of the 30th ultimo, requesting me to remit to him the amount of the enclosed bill for

1 Copy of letter.
1 Do. of bill.

Rupees 130-7-0, being the sum spent in repairing the Government church at Trevandrum in the year 1866, and to request the orders of Government for the disbursement of the same.

2. Should the Government be pleased to order the disbursement of the sum, I request that a separate allotment may be made for the purpose from the Reserve at their disposal, as the Budget grant for this district under the head Repair, Civil Buildings, has been nearly appropriated, leaving only a balance of Rupees 258 for any emergent works that may be required in this office between this and the end of the year.

3. There is another estimate of Rupees 400 for the repairs of the church at Tuticorin, which is kept back for want of funds, for which I have applied to the Inspecting Engineer for Buildings to make an additional allotment, as the work is of an emergent nature; but as the repairs to the Trevandrum church were carried out seven years ago, I send this application direct to you.

From W. BARTON, Esq., Chief Engineer, Travancore Government, to J. W. RUNDALL, Esq., District Engineer, Tinnevely, dated Trevandrum, 30th July 1873, No. 3,099.

IN the year 1866 some urgent repairs in the shape of repairs to floor, shifting tiles, repairs to roof, and repairs to pews, were done to Christ's Church, the Government church at Trevandrum.

2. The work, I am certain, was executed upon authority, but as I am now unable to trace that authority from the records of my office, I cannot state whether the work was taken in hand at the request of the Superintending Engineer, the trustees, or whom. There is no doubt, however, as to the work having been done.

3. I enclose the bill for the amount spent on the repairs, and if you could arrange to remit me the sum to adjust my accounts with the Travancore Sircar, I shall be obliged.

No. 271. ORDER THEREON, 16th August 1873, No. 2,048.

CIVIL WORKS, No. 17.

THE Controller of Public Works Accounts will be authorized to arrange for the disbursement of the sum of

Rupees 131, if after examining the accounts it appears that the expenditure has not been already defrayed.

2. The sum will be provided by transfer from the Provincial Repair grant of the Presidency District.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the District Engineer, Tinnevely.

Enclosures. 2.

1. Copy of letter.

1. Dt. of Bill.

Sir,

I have the honor to forward a copy
of letter from the Chief Engineer Tanjore Govern-
ment No. 3099 of the 30th Ultimo, requesting me to remit
to him the amount of the enclosed Bill for Rs. 150-7-7,

being the sum spent in repairing the Government
Church at Trevandrum in the year 1866, and to request
the orders of Government for the disbursement of the same.

Should the Government be pleased to order
the disbursement of the sum, I request that a separate
allotment may be made for the purpose, from the
Reserve at their disposal, as the Budget grant for this
District under the Head Repair Civil Buildings has
been nearly appropriated, leaving only a balance of
Rs. 258. ^{any} for emergent works that may be required in
this Office between this and the end of the year.

3. There is another estimate of Rs. 1400 for the
repairs
