*Proceedings of the Madras Government, Public Works Department,
21st August 1873.*

No. 344. Read the following letter from Colonel J. BEAN, R.E., District Engineer, Coimbatore, to Colonel G. V. WALKER, R.E., Chief Engineer and Secretary to Government, Public Works Department, dated Coimbatore, 5th August 1873, No. 42:—

I HAVE the honour to re-submit for sanction, with reference to Chief Engineer's memorandum, No. 261, dated 15th July 1873, an estimate, amounting to Rupees 225, with specification and plan,

- 1 Estimate.
- 1 Specification.
- 1 Plan.

for extending the verandah of the Subsidiary Jail at Pulladem in this district, and building a breast wall to form a temporary guard-room for the Police.

2. On the 18th November 1872, the Collector and Magistrate brought to notice that the Head Assistant Magistrate and Superintendent of Police reported that the Police Guard over the prisoners had no protection from the sun, and no accommodation in the open verandah of the Jail wards. To obviate inconvenience and to roof it over, as well as to build a breast wall, so as to form temporary shelter and accommodation.

3. The Jail wards and out-buildings have been built under instruction conveyed in G. O., No. 391, dated 6th February 1869, and completed in 1872-73. The addition now proposed will not interfere with the general design, but will form portion of the Subsidiary Jail and Sub-Magistrate's Cutcherry, involving only the removal of the wall.

4. This estimate was entered in the Statement No. III. of new works to cost less than Rupees 2,500, recommended for execution in 1873-74, which was submitted on the 29th April, and a revised one increased by 30 Rupees was submitted on the 8th July, with reference to Chief Engineer's memorandum,

No. 33. No. 241, dated 30th June 1873. The estimate, however, was included in the Statement in hope of obtaining funds at the time, and it was my intention to have submitted it subsequently with a report giving explanation of the necessity for the work.

No. 345. ORDER THEREON, 21st August 1873, No. 2,085.

CIVIL WORKS, No. 31.

THE estimate of Rupees 225 is sanctioned. Funds have been provided in G. O., No. 1,999, dated 12th August 1873.

Enclosure 3. Estimate and Specification of Plan.

for Sanction, with reference to Chief Engineer's Circular No. 261 dated 15th July 1873, and estimate amounting to Rs. 225.

with specifications and plan for waterworks the necessaries of the sub-division of the district.

described in the Circular No. 261 dated 15th July 1873, and estimate amounting to Rs. 225.

and buildings, breast wall to form a temporary guard room for the Police.

2. On the 28th November 1873 the Collector and Magistrate brought to notice that the Head Assistant Magistrate and Superintendent of Police reported that the Police Guard over

the

the prisoners, in order to protect them from the sun and in accommodation in the open verandah of the jail wards. To obviate inconvenience from this cause it was proposed by the Executive Engineer to extend the verandah and to roof it over, as well as to build a breast wall, so as to form temporary shelter and accommodation.

3. The jail wards and out buildings have been built under instruction conveyed in G.O. No. 1396 dated 6th February 1869, and completed in 1872/73. The addition now proposed will not interfere with the general design, but will form portions of the subsidiary jail and sub magistrates' quarters, involving only the removal of the walls. This estimate was entered in the Statement of the Chief Works to cost less than Rs. 2,500 recommended for execution in 1873/74, which was submitted on the 29th April, and a revised one increased by 30. Rupees was

13
submitted on the 8th July with reference to Chief Engineer's Memorandum No. 241 dated 30th June 1873. The estimate however was included in the Statement in hope of obtaining funds at the time, and it was my intention to have submitted it subsequently with a report giving explanation of the necessity for the work.
