RESOLUTION.—There is no objection in this department to the acceptance of the recommendation of the Government of Madras for granting a deputation allowance of Rupees 50 per mensem to the head clerk of the office of the Chief Engineer of Irrigation Works in consequence of the additional duty which devolves upon him by the amalgamation of the offices of Consulting and Chief Engineer, and for increasing the pay of the Accountant by Rupees 30 per mensem to rise eventually to 150 Rupees a month by annual increases of 10 Rupees per mensem, but inquiry will be made of that Government, whether it is not possible to dispense with the services of the 2nd Accountant in the Consulting Engineer's Office on Rupees 42 a month, and to reduce by one the staff of peons, bearing in mind that the Consulting Engineer as Chief Engineer for Irrigation has a separate staff of office servants.

ORDER.—Ordered that a copy of this Resolution with the papers read be forwarded to the Financial Department for further consideration and orders.

Ordered also that a copy be forwarded to the Government of Madras for report in regard to the suggested reductions.
