*Proceedings of the Madras Government, Public Works Department,
22nd January 1873.*

No. 440. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account—General,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 9th December 1872, No. 999-A.G. :—

With reference to your letter No. 1,154 of the 6th May last, regarding the preparation of schedules of rates, I am directed to state that the Government of India, while regretting that the system of accounts in Madras is such as to prevent the Controller of Public Works Accounts giving the information in respect to rates afforded by all Controllers employed on this side of India, will accept the schedules which the Madras Government intend to have compiled by the Chief Engineer on information to be furnished by Superintending Engineers.

2. The schedules should be submitted half-yearly accompanied by exhaustive reports on fluctuations in rates generally, especially pointing out costs in which such fluctuations are likely to lead to expenditure in excess of estimates for important works.

3. The first report and schedules may be submitted so as to reach the Government of India by the 1st April 1873.

No. 441. ORDER THEREON, 22nd January 1873, No. 213.

ACCOUNT, No. 44.

COMMUNICATED to the District Engineers in connection with the orders of the 6th May 1872, No. 1,153. The

attention of the District Engineers is particularly invited to paragraph 2 of the letter from the Government of India, and early steps will be taken to submit* the schedule for the half-year ending

* By end of February.

30th September 1872 so as to enable

this office to meet the wishes of the Government of India contained in the last paragraph of their letter.
