*Proceedings of the Madras Government, Public Works Department,
29th August 1873.*

J.S.
No. 511. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account—Irrigation,) to Lieutenant-Colonel J. MULLINS, R.E., Joint Secretary to the Government of Madras, Public Works Department, (Irrigation Branch,) dated Simla, 5th August 1873, No. 178-A.I. :—

I am directed to acknowledge receipt of your letter, No. 1,622, dated 21st June 1873, reporting the arrangements that have been made for the preparation and examination of the accounts of the Madras Irrigation and Canal Company consequent on the transfer of the Head Office in India from Madras to Kurnool, and, in reply, to state that the arrangements made meet with the approval of the Government of India, so that the monthly accounts need not be kept back until they have been fully looked into by the Examiner, as the audit accorded by the Accountant will suffice. But the Examiner and his Assistant should visit Kurnool once alternately every quarter to see that matters are in proper order.

2. A report of the working of the scheme should be submitted to the Government of India at the end of a year.

No. 512. ORDER THEREON, 29th August 1873, No. 2,171.

IRRIGATION, No. 30.

ORDERED to be communicated to the Chief Engineer for Irrigation and to the Government Examiner of Accounts, for information and guidance.
