*Proceedings of the Madras Government, Public Works Department,
4th September 1873.*

No. 71. Read the following letter from R. E. NORFOR, Esq., Officiating District Engineer, South Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Cuddalore, 14th August 1873, No. 82:—

With reference to the Proceedings of Government, Financial Department, No. 1,074, of the 30th July 1873, and Order thereon No. 16, of the 5th instant, I have the honour to inform you that against the Budget grant of Rupees 2,500 allotted for this district for Repairs Civil Buildings, Provincial, estimates to the extent of Rupees 1,591 have already been sanctioned; the works are all such as are absolutely necessary, and are most of them well in hand and expected shortly to be completed.

2. In addition to this the Sub-Collector has applied for the repairs of his Cutcherry as also the Tahsildar's Cutcherry at Kullakurchy in his sub-division. Estimates for these works are under preparation, and are daily expected in this office; it is probable that the necessary repairs to these works will cost about Rupees 1,500. Two other estimates, one for repairing the tombs in the old cemetery at Old Town, Cuddalore, amounting to Rupees 305, and another for white-washing the post-office at Tindivanum (Imperial Civil Buildings), Rupees 10, are now before me awaiting sanction. The estimates for these works will remain in abeyance till a further grant is sanctioned, and, in the meanwhile, I have directed the Range Officer to proceed with the repairs of the Collector's house from the unappropriated balance now at my disposal viz., Rupees 909. (Allotment Rs. 2,500, Estimate sanctioned Rupees 1,591.)

3. I regret that I am unable to suggest any transfer of funds from the various allotments for New Works, as I do not anticipate any savings; on the contrary, the grant under this head will require to be supplemented if possible. The submission of the estimate for the Deputy Tahsildar's Cutcherry at Oolundoorpett is only delayed for want of the site plan, this I expect immediately as the Collector has just inspected and approved of the site selected. The grant for this work, Rupees 4,000, will however be fully utilized in the year without any difficulty.

4. Under the circumstances above recorded I trust the Government will be pleased to sanction a further grant of Rupees 1,656 for Repairs, Civil Buildings, in this district. Estimates that may hereafter be received will be detained in this office till a later date when funds may be available from other districts.
