*Proceedings of the Madras Government, Public Works Department,
8th September 1873.*

No. 104. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 26th August 1873, No. 3,249 :—

As the sanction accorded in G. O., dated 25th June 1873, No. 1,657, expires on the 5th proximo, and as the work for which the temporary establishment was sanctioned is not likely to be completed for another six weeks, I have the honour to request that the sanction, originally accorded for three months, may be extended to four months.

2. It is impossible to say, until the records obtained from the office of the Inspecting Engineer for Military and Civil Buildings have been completely examined, to what extent they will be useful in connection with the Capital and Revenue Accounts of Irrigation works. I fear, however, that the value is not so great as I was at first inclined to believe.
