IRRIGATION, No. 11.

SIR,—In reply to the Assistant Secretary's reminder of the 30th ultimo, asking when the information called for in the Deputy Secretary's letter, No. 81 I, of the 7th March 1871, regarding the capacity of the Coleroon for carrying an addition to its flood-waters, will be ready, I am directed to state that the employment of an Assistant Engineer on this work was sanctioned in Proceedings of the Madras Government of the 4th July 1872, No. 1,618, but it has not been found possible to detail an officer for this duty, and consequently the investigations have made but little progress. Some sections have however been taken by Surveyors, and the District Engineer will be called upon to report what information has been obtained up to date.

I have the honour to be,
Sir,
Your most obedient servant,

Lieut.-Colonel, R.E.,
Joint Secretary to Government.
