Proceedings of the Madras Government, Public Works Department, 15th September 1873.

No. 206. Read the following letter from Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Chepauk, 28th August 1873, No. 1,012:—

WITH reference to the Order of Government of the 14th August, No. 92, I have the honour to state that the District Engineer was authorized to proceed with the gravelling of the horse lines of the Royal Artillery at St. Thomas' Mount on the 15th instant.

2. The estimate was received with the Order of Government of the 24th June, No. 166, and the delay has been owing to references having been made to the District Engineer regarding the thickness of gravelling and the distance of the quarries. The result has been that it is now proposed to put down a thickness of only three inches of gravel at 12 Annas a square, whereby the amount of the estimate will be reduced from 1,100 to 816 Rupees. The cost of the work can be met from the grant for Repairs, Military, of the Chingleput District.

No. 207. ORDER THEREON, 15th September 1873, No. 2,270.

MILITARY WORKS, No. 4.

ORDERED to be recorded, and copy furnished to the Military Department with reference to the Orders in that Department, No. 2,531, dated 1st August 1873.
