Letter from Secretary to Chief Commissioner, Central Provinces, No. 5,797, dated 21st October 1872.

RESOLUTION.—It having been pointed out that the restriction laid down in Public Works Department Circular No. 58 of 1871, requiring the sanction of Superintending Engineers to transfer payments of sums over Rupees 500 in one division on account of another division is inconvenient in cases where transfers in the same province are concerned, the Governor-General in Council has been pleased to remove the restriction in cases where the payments have to be made under one Administration or Department.

ORDER.—Ordered that the foregoing be communicated to the Local Governments and Administrations and Officers marginally noted, for information and guidance.

Ordered also that a copy be forwarded to the Financial Department for information.
